FOOD
The greatest selection of fine restaurants awaits your dining pleasure, with everything from snacks to sumptuous feasts . . . Italian, Chinese, Continental and American cuisines, in every kind of decor from Modern to Old West, and reasonable, too!

Located in the heart of Downtown Las Vegas, "The World's Brightest Skyline" consists of twelve brilliantly lighted Hotels and Casinos, the most glittering, dazzling display of flashing lights, neon and electronic spectaculars to be found anywhere in the world.

CONVENIENCE
Adjacent to Casino Center are department stores, specialty shops, restaurants, theatres, and all the conveniences and facilities of a compact metropolitan area. All can be covered on foot within just a few blocks of Casino Center.

ENTERTAINMENT
From Sundown to Sunup, Casino Center presents the finest entertainment, including top musical combos, comedy groups and recording stars. There is no cover or minimum charge at any of these fine shows, and entertainment runs seven nights a week.

PARKING
The Casino Center area contains parking facilities for more than 5,000 automobiles. Several buildings feature inside parking and most car lots have free validated parking. All are within easy walking distance of the Casino Center area.

ACCOMMODATIONS
Four large hotels, plus fine motel accommodations are available within and adjacent to Casino Center. All are first-class, and many feature fine restaurants, swimming pools, and the finest in service and hospitality at moderate rates.
